RE: IMTC [conference] [year], [date], [city] [country]

Dear [name],

On behalf of the International Money Transfer Conferences and after 10 years of successfully building remittance events in several countries, I am pleased to announce to you our [number] edition of our **IMTC [conference] [year]**, which will take place at the [venue] in [city] on [date]. With the growth of the industry, the increased focus on this dynamic space and the evolution and emergence of new entrants from across the digital and physical payments world, the industry is converging on the IMTC stage which is at the center of the cross-border money transfer revolution.

This conference is the brainchild of Mohr World Consulting, the premier US Money Transfer & Remittance Consultancy firm to bring together the best of the industry to share information, impart knowledge, present solutions, but most of all to network and develop partnerships that will create the success stories of tomorrow.

We would be delighted to have you present at this conference where our team will work with you to make your participation successful. We also would love to hear your thoughts and opinions in the afternoon round tables where we make sure everyone has the opportunity to participate.

We look forward to your confirmed presence at our **IMTC [conference] [year]**. If you need more information you can check our website at www.imtconferences.com or call us at +1 786 238 7857.

Respectfully Yours,
